HOA Board of Trustee Positions

Would you like to be part of the change in the board's make up? Would you like to see changes in our community? Do you have ideas for improvements in how our community is run? You can make that difference by filling one of the 4 available positions open for the Board of Trustees.

The community is allowed 9 board members who decide what actions to take in all matters that relate to the community's business, listen to complaints and allocate funds. Each elected trustee is to serve a 3 year term. In order to become a board member, you must not have lost your right to vote (ex: dues paid in full & no outstanding violations, etc). You will need to fill out the enclosed Resume form & return it by August 20th. Ballots will then be mailed out to all homeowners by the 1st week in September with a list of all qualified candidates to be voted on. All current & new Board of Trustee members will be announced at the Annual Meeting on September 24th. At the regular October Board meeting, the Board of Trustees will then elect the Board Officers by majority vote. We are excited to get new faces on the board who believe they can help make our community great!!!
